ALUMNI NEWS

CLASSES OF '02, '20, '29, '38, '47

The first annual meeting of the Iowa State College Veterinary Medical Alumni Association was held on Jan. 19, 1954, during the annual meeting of the Iowa Veterinary Medical Association in Des Moines.

The minutes of this meeting, a letter of explanation and a form for the procurement of information will be sent to each eligible member by the Secretary-Treasurer.

The Organizing Committee, acting as a Nominating Committee, presented the following slate of officers to serve for one year and moved their election: President, Dr. Stanley L. Hendricks, '34, Des Moines; Vice-President, Dr. P. V. Neuzil, '20, Blainstown; Secretary-Treasurer, Dr. H. D. Bergman, '10, Ames; members of Executive Committee, Dr. Burton J. Gray, '43, Fort Dodge and Dr. F. E. Brutsman, '40, Traer. The election was by unanimous vote after which the newly elected president, Dr. Stanley L. Hendricks, took the chair as presiding officer.

CLASS OF 1902

Dr. Clarence L. Elliott lives at 5617 Cherry Street, Kansas City 4, Mo., where he has been since 1935. At the present time Dr. Elliott is doing meat inspection work for Kansas City. From 1903 to 1917 he was located in Winona, Minn., and in 1924, he moved to Mason City, Iowa, where he worked until 1930. The next two years Dr. Elliott spent in Newark, N.J.; then from 1932 to 1935 he lived at Indianapolis, Ind. Dr. Elliott has one daughter, Elaine Ray McQuiod, 46.

Dr. Ralph Graham, retired from B.A.I. work since 1945, is residing in 1202 Elmerine, Jefferson City, Mo. In 1903 he was employed by the Bureau of Animal Industry and did meat inspection and yard work at the National Stock Yards in Illinois. In 1906 he worked with the problem of sheep scabies control in New Mexico and Arizona. Dr. Graham returned to the National Stock Yards in 1907, again doing meat inspection and yard work. Organization of field work in hog cholera was his next project, and for this he was transferred to Missouri. In 1914 he was placed in charge of hog cholera eradication, which extended in 1919 to control and eradication of animal diseases. Continuing with the B.A.I. he was transferred to Kentucky where he was inspector in charge. Then in 1939 he was transferred to Kansas as inspector in charge until he retired in 1945.

Dr. Walter E. Miller resides at Greensburg, Ky., but his business address is Room 1014 U. S. Customs House, 610 South Canal Street, Chicago, Ill. As a general practitioner, Dr. Miller spent 10 years in Cherokee County, Iowa, and 15 years in Knox County, Ill. For 14 years he was associated with bovine tuberculosis eradication in Illinois. During the past 13 years he has been employed by U.S.D.A. in Poultry Inspection, Agriculture Marketing Service. Dr. Miller has five children: William G., 47, Superintendant of Field Service for the St. Louis Sanitary Milk Producers; Geraldine (Miller) Lewis, 44; W. Wayne, 37, now a Major in the 537

Med. Det. stationed in Trieste; and J. Keith, 32, a hospital pharmacist in Chicago.

CLASS OF 1920

Dr. Lynce C. Bowling of 3107 8th Ave. Los Angeles 18, Calif., is at present time associated with the U. S. Department of Agriculture, Bureau of Animal Industry. Formerly he was with the Southern University and A & M College, Baton Rouge, La., and also has been a bureau veterinarian at Chicago, Ill., and Tacoma, Wash.

Dr. Ray Allen Crider is in his 34th year as a general practitioner at Elgin, Iowa. In 1953 he retired from the local school board after 25 years of service. Dr. and Mrs. Crider have four children: Mrs. Margaret Kuth, 31; Barbara, 21; and twin sons, Keith and Kenneth, 15.

Dr. K. H. Gubser has been in general practice at Adel, Iowa, since 1922. Previously, he lived at Gilmore City, Iowa, for two years. Dr. Gubser served as vice-president of the I. V. M. A. in the late 1930's. In Adel, he served as a member of the Adel City Council for three years. He has two sons, Dr. E. A. Gubser, 28, who graduated from I.S.C. in 1950, and Robert K., 22, now a junior in veterinary school here.

Dr. Lawrence M. Hadley, Ruthven, Iowa, retired from practice in 1948 because of ill health. He had been a large animal practitioner in that area for 28 years. Among his many jobs as a community leader, Dr. Hadley was president of Ruthven's colt and pony show for six years. He has one daughter, Harriet, 26.

Dr. Jerome C. Hicks now lives at 2825 River Road, Eugene, Ore. Following graduation he lived two and one half years at Oskaloosa, Iowa, and then moved to Tucson, Ariz., where he remained for 19 years. Dr. Hicks left Tucson for reasons of health and for the past 10 years has

been living at Eugene. His practice has been with large animals mainly, but while in Arizona he once operated a small animal hospital. Now Dr. Hicks owns and operates a logging company and also owns and operates a real estate company. In his community he has been county commissioner in Prima County, Ariz., and Fair Board Chairman for Lane County, Ore. Dr. Hicks has two children, Jay Clyde, 30, and Sera (Hicks) Barker, 27.

Dr. Paul M. Jillson is a general practitioner at Elgin, Neb. He has five children: Ted, 31; Jenene, 29; Paul, 28; Dale, 26; and Gene, 23. Dale received his D.V.M. degree from Iowa State last year and is now located in Neligh, Neb., 12 miles from Elgin.

Dr. Marcus M. Manning, general practitioner at Yale, Iowa, built a new modern office last year. He has been practicing at Yale since 1931, and before that was located at Bagley, Iowa. As a community leader Dr. Manning has been Mayor of Yale, Master of Masonic Lodge, Commander of American Legion Post at Bagley, and President of the Bagley Commercial Club.

Dr. George M. Wormley is a Federal Inspector of Dressed Poultry, under the U.S.D.A. Poultry Division and is stationed at Moorpark, Calif. Following his graduation he practiced for 32 years at State Center, Iowa, and previous to being stationed at Moorpark he was at Omaha, Neb.; Shawnee, Okla.; Tyler, Tex.; Ogden, Utah; and Los Angeles, Calif. He has four children: Raymond E., 33; Ruth B. Watson, 31; Ron G., 27; and Roberta M. Foster, 23. Dr. Wormley's address is 216 Moorpark Ave., Moorpark, Calif.

Dr. C. Herman Beckman, 4411 Chipewa St., St. Louis 16, Mo., has been a general practitioner in that area since 1926. His practice consists mainly of small ani-

mals. From 1920-26, he was located at Humboldt, Iowa. He also has done meat inspection for the city of St. Louis. Dr. Herman is past secretary of the South St. Louis Improvement Association and also was president of the Greater St. Louis Veterinary Association. He has two children: John, 13; and Charles, 7.

Dr. Lester H. Phipps and his wife attended the national convention in Toronto last year, then left from Montreal, July 24, and attended the International Convention in Stockholm. Following that meeting, they toured 10 countries in Europe before returning home on Sept. 22, 1953. Dr. Phipps has been a general practitioner at Winnebago, Minn., since his graduation. He has been on the Board of Trustees of the M.V.M.A. and a member of the Board of Examiners. Dr. and Mrs. Phipps have three children, James, 31; Mary, 29; and Katharine, 24.

Dr. H. N. Strader is a general practitioner at Marion, Iowa. For ten years he was regulator for state work in New Hampton, DeWitt and Marion.

CLASS OF 1929

Dr. William W. Bailey lives at 95 Unionville Ave., Sussex, N.J. He has a general practice in that area with a predominance of dairy cattle. From 1929 to 1931, Dr. Bailey lived in Nebraska doing B.A.I. work. Then in 1931 he moved to New Jersey where he continued with the B.A.I. for two more years before beginning as a general practitioner. He has been vice-president and also secretary of the Northwest New Jersey Veterinary Medical Association.

Dr. Harold L. McCrillis, general practitioner at New Hampton, Iowa, did state T.B. testing from 1929-33. Then, in 1933-34 he had a general practice at Chariton, Iowa; this was followed by two more years of T.B. testing. Since 1936 he has been at New Hampton. He has been chairman of

the Chickasaw County Draft Board since 1948, and also has held offices in the Masonic Lodge. Dr. McCrillis has four children; Mary Lea, a freshman at Iowa State College; John, 16; Bob, 13; and Jim, 9.

Dr. George S. Carter, 915 Howard Ave., Billings, Mont., has been Inspector in Charge of B.A.I. meat inspection at Billings since 1947. As a general practitioner following graduation he lived at Craig, Little Rock and Lohrville, Iowa. While in B.A.I. work he has been stationed at Philadelphia, Pa.; Dubuque, Iowa; Edgar, Wis.; and Billings, Mont. He has two children, Carol C. McClurg, 21; and Kay, 16.

Dr. Robert B. Mericle is Area Supervisor of Poultry Inspection A.M.S., U.S.D.A. Since graduation he has been located at Los Angeles, Calif; Sacramento, Calif.; Omaha, Neb.; San Francisco, Calif.; and Des Moines, Iowa. Dr. and Mrs. Mericle now live at Nevada, Iowa, on a farm they purchased last year. They have three sons, R. Bruce, 15½; Dale, 14; and Kent, 7½.

Dr. E. H. Nordstrom has been doing government work since 1934. He is associated with the Disease Eradication Branch of the Department of Agriculture. Following graduation, Dr. Nordstrom had a large animal practice at Wausa, Neb. He now lives at 572 Lincoln Avenue, St. Paul 2, Minn.

Dr. Edward D. Smith, East Troy, Wis., has been a general practitioner in that area since he graduated. He has been a Village Board member for 15 years, member of the Chamber of Commerce, and County Humane Officer. He has five children: Alice (Smith) Rogers, 30; Charles, 28; Dolores, 25; Muriel, 20; and Carol, 14.

Dr. R. E. Weber has been a large animal practitioner at Bancroft, Iowa, for 22 years. Immediately following gradu-

tion from I.S.C. he spent three years at Coleridge, Neb. He has four children, Mary Jo, 17; Nancy, 14; Linda, 10; and John, 7.

CLASS OF 1938

Dr. Clement I. Angstrom spent three years in graduate school at Cornell University after receiving his D.V.M. here at I.S.C. During World War II he was veterinarian for the Pigeon Breeding and Training Center, U. S. Army. Since 1946 he has been at the Cornell University Poultry Disease Branch Laboratory, Kingston, N.Y., where he is now director. He is a Rotarian and Cub Scoutmaster. Dr. and Mrs. Angstrom have three children: Jon 12; Andrew, 11; and Michael, 7. Their address is 163 Hurley Avenue, Kingston, N.Y.

Dr. Myron S. Arlein, 2172 Millburn Avenue, Maplewood, N.J., has had a small animal practice since 1948 at Maplewood. His specially constructed small animal hospital was completed that same year. After receiving his D.V.M. degree he served an internship at Angell Memorial Animal Hospital, Boston, Mass., during the summer of 1938. In 1938 and 1939 he was with the U.S. Bureau of Animal Industry, Richmond, Va. From 1939 to 1942 and 1945 to 1947 he was a staff member of Angell Memorial Animal Hospital and from 1942 to 1945 he was with the U. S. Army and retired in the rank of Lieutenant Colonel. Dr. Arlein is Secretary-Treasurer of the Metropolitan New Jersey Veterinary Medical Association.

He was formerly a member of the Executive Board of the Veterinary Medical Association of New Jersey and has held numerous other state association committee positions. He has been a speaker at various veterinary meetings in past years. Dr. and Mrs. Arlein have two children, Robert, 6½; and Paul, 3. They have just returned from a winter vacation at Miami, Fla.

Dr. Gerald C. Bek left active practice at Kiester, Minn., on Dec. 1, 1953, and is at present living on a 400 acre farm at Winterset, Iowa. Dr. and Mrs. Bek have four children: Jerry Lee, 7; Denise, 5; Linda, 3; and Karen, 1.

Dr. Wayne Binns divides his time between teaching and research at Utah State Agriculture College. During 1952-53, while on sabbatical leave, he obtained a Master's Degree from the College of Veterinary Medicine, Cornell University. His thesis was "Vibriosis in Cattle." During World War II Dr. Binns spent four years with the U.S. Army. Prior to that he spent two years in general practice at Barrington, Ill. Offices held in veterinary organizations include Secretary of the Utah Veterinary Medical Association, Utah State Veterinary Medical Examining Board, and Secretary of the Intermountain Veterinary Medical Association. He has also been a member of the Logan City Board of Health. Dr. and Mrs. Binns have two children, Ralph, 11, and Lucille Anne, 8. They live at 555 North 3rd East, Logan, Utah.

Dr. Frank J. Linn of Sheffield, Iowa, has been in general practice since his graduation except for two years spent in the China-Burma theatre during World War II. Before going to Sheffield, he was located at Radcliffe, Iowa. Dr. Linn has been Commander of his American Legion Post as well as a city councilman and Master of the Masonic Lodge. He is Secretary of the Official Board of the Methodist Church and on the Troop Committee of the Boy Scouts. He was past president of the Upper Iowa Veterinary Association and is now first vice-president of the I.V.M.A. Dr. and Mrs. Linn have three children, Annette, 13; Jim, 11; and Becky, 4.

Dr. Nelson D. Crandell lives at 5403 Scrivener St., Long Beach 8, Calif. From 1938 to 1941 he was at Columbia, Mo.,

doing B.A.I. work; he then spent the next year inspecting at Amarillo, Tex. The next five years he spent in the army and following his discharge he taught at Auburn, Ala. Since 1949 Dr. Crandell has been in practice at Long Beach. He has two children, Kathleen, 10, and Thomas, 8.

Dr. T. A. Schneckloth, Jr. has a large animal practice at Lode, Wis., where he has been since 1949. Following his graduation he did research on artificial insemination at the University of Wisconsin, 1939-40, and did artificial insemination field work at Green Bay, 1940-49. Dr. Schneckloth is on the Boy Scout Committee and is also a steward in the Methodist Church. Dr. and Mrs. Schneckloth with their children Larry, 12, and Lois Ann, 8, live at 202 North Main, Lode, Wis.

Dr. Elliott A. Butler was with the B.A.I. in Tennessee from 1938 to 1939, when he entered general practice at Lenox, Iowa. From 1943 to 1946 he was with the Army Veterinary Corps, and since his discharge Dr. Butler has had a general practice at Council Bluffs, Iowa. At present he has a combination office and kennel room but plans to have a new building in the near future. Dr. Butler is affiliated with the Masons and Kiwanis and is a member of the Y.M.C.A. He has been a trustee and elder of Grace Presbyterian Church, a commissioner, cubmaster and committeeman with the boy scouts, chairman of the Agriculture Committee, Chamber of Commerce, and member of the Executive Board Southwest Iowa Veterinary Association. Dr. and Mrs. Butler and children, Denis, 14; Kathleen, 11; and Elliott, 10, live at 1440 McPherson, Council Bluffs, Iowa.

Dr. Charles Henry Cunningham has been doing research and teaching in the Department of Bacteriology and Public Health, School of Veterinary Medicine, Michigan State College, East Lansing, Mich., since 1945. Prior to that he was with the University of Maryland Livestock Sanitary Service, 1938 to 1942, and

the University of Rhode Island, 1942 to 1945. He has been a member of the A.V.M.A. Research Council; the U. S. Livestock Sanitary Association Committee on Transmissible Diseases of Poultry; and the board of directors of the Kiwanis Club of East Lansing. His children are Mary, 10; Ann, 7; Joan, 5; and John, 3.

Dr. George G. Hartle has been a small animal practitioner at 5324 Lyndale Avenue, South Minneapolis, Minn., since the fall of 1938. He and Mrs. Hartle live at 1246 W. Minnehaha with their children, David, 12; Joseph, 10; Andrew, 9; Catherine, 7; Philip, 6; James, 3; and Mary Alice, 2. Dr. Hartle is treasurer of the Metropolitan Animal Hospital Association of the Twin Cities. He has been a member of the Public Relations Committee of the Minnesota State Veterinary Medical Society for several years and is former president of the Great Twin Cities Veterinary Medical Society.

Dr. L. S. Hughes has had a general practice at Warroad, Minn., since receiving his degree at Iowa State College except for the years 1941 to 1945 which he spent in the Army. He serves as a deacon in the Zion Lutheran Church and is a member of the Light and Power Commission. Dr. and Mrs. Hughes have three children: Lee, 10; Beth, 9; and Valerie, 4.

Dr. Andrew G. Koostra has been in general practice since his graduation from Iowa State College. He has a large and small animal clinic at 303 W. Sixth Street, Bowling Green, Ky. Besides this he operates a Grade A Dairy. Dr. and Mrs. Koostra and children James, 13; Kent, 11; and Ruth Ann live on Route 5, Bowling Green.

Dr. L. A. Osborn practiced briefly after graduation at Blooming Prairie, Minn.; Le Sueur, Minn.; Lime Springs, Iowa; and established a practice in Hampton, Iowa in 1941. He was with the U. S. Army from 1942 to 1949, serving in the United

States and Europe and resigning his rank of major to re-enter large animal practice in Hampton, Iowa. His community service includes Board of Directors, Hampton Rotary Club; Board of Directors, Hampton Chamber of Commerce; Board of Education, Hampton Methodist Church; Chairman, Committee on Ethics, I.V.M.A. He has two children, Linda Lee, 13, and Louise Kay, 11.

Dr. John A. Randle has been located in West Point, Miss., since graduation except for Army service from 1941 to 1946, when he was separated as Lt. Colonel, V. C. His general practice includes a 20-cage small animal hospital. He has served a 5-year term on the city school board and has been a member of the 4-H Advisory Council. At present he is a director in the Clay County Chamber of Commerce and a member of the Board of Stewards of the First Methodist Church. He was Secretary-Treasurer of the Mississippi Veterinary Medical Association from 1950-52; Vice-President of the same in 1953 and is President of the same for 1954. Dr. and Mrs. Randle have four children: John Jr., 13; Mary Dale, 11; Ronald, 6; and Richard, 17 months.

Dr. Harry Snelbaker, after graduation from Iowa State, practiced at North Hackensack, N. J.; Paso Robles, Calif.; and South Gate, Calif. He now has a small animal practice at Aroville Animal Hospital, Oronville, Calif. He has been a trustee, Mosquito Abatement District and executive secretary, Northern California Association of Veterinarians. Dr. Snelbaker's wife, Jean Lynn is a 1938 Iowa State College home economics graduate. Their daughter Marilyn is 13.

Dr. Benjamin F. Ward practiced at Kansas City, Mo., and Highland, Ill., before going to Alton, Ill., where he has a large animal practice which is principally dairy. His office is in association with a small animal hospital. Dr. Ward is chairman of the Rural-Urban Committee of

Alton Rotary Club. At present Dr. and Mrs. Ward are in the process of remodeling a home on a recently purchased 40 acre farm just north of Alton. Their children are Julianne, 13; Carolyn Joyce, 11; Bonnie Louise, 9; Diane Elizabeth, 4; and Stephen Michael, 18 months.

Dr. Keith N. Wiser, 201 Fairview Avenue, Greer, S. C., is a livestock inspector for the B.A.I., a position he has held since graduation except for a four-year leave of absence, 1942 to 1946, spent in the Army Air Corps. He has served as Scoutmaster, P.T.A. vice-president, Sunday school teacher and elder in the Presbyterian Church. He has two children, Elsie 9, and Steve, 7.

CLASS OF 1947

Dr. F. D. Armstrong, Remer, Minn., has a general practice and also does state and bureau work. His office and kennels are in the basement of his home. Dr. Armstrong is single.

Dr. Victor H. Austin and wife Ruth live at 14931 Oxnard Street, Van Nuys, Calif., with their children Ann, Ricky and Jane. Dr. Austin has a small animal practice with a 150-animal capacity small animal hospital. He has served as Vice-President of the Kiwanis Club and State Director of the Junior Chamber of Commerce. He recently received the Distinguished Service Award for being the outstanding young man in Van Nuys for 1953.

Dr. Richard Leroy Houmes has been a general practitioner at Central City, Iowa, since his graduation. He has three children, Nancy, 5; Cleda, 3; and Blaine, 15 months. During the summer of 1953, he built a new home and office. He was a member of Central City School Board from 1948 to 1951, and he is now a member of the Chamber of Commerce and current Secretary of the Eastern Iowa Veterinary Medical Association.

Dr. R. T. Howard practiced in Ankeny, Iowa, for six months after graduation, then located in Kanawha, Iowa, where he has been a general practitioner for the last six years. His wife, Elizabeth (Pence) Howard, graduated from Iowa State College in 1946 as a bacteriology major. There children are Charles, 5, and Carol 3. Dr. Howard completed a new home last year with complete office, rooms and equipment built in the basement.

Dr. Harold J. Morgan practiced at Ruthevan, Iowa, until Sept. 1, 1952, when he went to the University of Illinois, Urbana, Ill., as an instructor in veterinary anatomy. Dr. and Mrs. Morgan live at K-56 A Stadium Terrace, Champaign, Ill., with their children, Robert 4, John 2, and Thomas 1.

Dr. Robert O. Sander was in partnership in a mixed practice at Waterloo, Iowa, 1948 to 1950. In 1950, he began a general practice in Waukon, Iowa. He has a six room modern hospital with attached double garage and parking area; upstairs is a six-room residence with an over-the-garage built up play area. The hospital was completed March 1, 1952. Dr. Sander is now Mayor of Waukon, a member of the Board of Directors of Waukon Kiwanis Club and Chairman of Improvement Committee of his church. He was president and secretary-treasurer of Fayette County Veterinary Association, 1951-53. His children are Jean, 2½, and Christine Lee, 15 months. His address is 307 Rossville Road, Waukon, Iowa.

BIRTHS

To **Dr. and Mrs. W. M. Lawson**, '45, Albert Lea, Minn., a son, David Kent, Aug. 9, 1953.

To **Dr. and Mrs. Leland Bunge**, '50, Estherville, Iowa, a son, Stephen Mark, July 28, 1953.

To **Dr. and Mrs. Eugene O. Nehmer**, '42, Campbellsport, Wis., a son, John Paul, Dec. 27, 1953.

DEATHS

Dr. John A. Roberts, '28, Sacramento, Calif., died Oct. 21, 1953. He was engaged in general practice and was employed part time by the U. S. Bureau of Animal Industry.

Dr. M. J. Durrant, '34, Dows, Iowa, died Aug. 14, 1953.

Dr. P. L. Stow, '21, Newton, Iowa, died Sept. 9, 1953. He had practiced in Newton for twenty-eight years.

Dr. A. R. Menary, '10, Cedar Rapids, Iowa, died Sept. 13, 1953. He was a practitioner and dairy inspector in Cedar Rapids until his retirement in 1951.

Dr. Corwin L. Smith, '41, Sycamore, Ill., died suddenly of a heart attack while on a professional call on Aug. 30, 1953. He had been in practice at Sycamore since his graduation.

GENERAL NEWS

Dr. J. N. Krichel of Keokuk was elected president of the Iowa Veterinary Medical Association, Thursday, January 21, which was the last day of the three-day annual convention at Hotel Fort Des Moines. **Dr. H. C. Smith**, '23, Sioux City, was elected president-elect; **Dr. F. J. Linn**, '38, Sheffield, was chosen first vice-president and **Dr. W. J. Kilpatrick**, '49, of Mediapolis, second vice-president. **Dr. F. B. Young** of Waukegan was reappointed executive secretary-treasurer. **Dr. C. D. Lee**, '27, of Ames, and **Dr. M. B. Larson**, '38, of Keystone, were elected to the executive board.

Dr. Burton J. Gray, '43, vice-president of Fort Dodge Laboratories, Inc., will receive the 1953 Distinguished Service Award of the Iowa Junior Chamber of Commerce. His selection for the honor

was announced by Dean A. Briley of Boone, chairman of the organization's award committee. Selection of Dr. Gray was based on his contributions to community and state welfare, his all-around part in civic enterprises, qualities of leadership and personal success in his vocation.

Dr. Donald K. Theophilus, '36, and **Dr. T. Clark Campbell,** Norfolk, Neb., recently completed a six-room hospital on Highway 81, north of the city.

Dr. Jay Q. Bell, '51, who practiced at Parkston, S. D., since his graduation has purchased the practice of Dr. Toy F. Miller at Fairfield, Iowa.

Dr. William G. Sessions, '42, of Redfield, S. D., who has been in partnership with Dr. Willard L. McMahan has announced the dissolution of their partnership, known as the Redfield Veterinary Clinic, on August, 1953.

Dr. Burton J. Gray, '43, has been elected vice-president of the Fort Dodge Laboratories, Inc., Fort Dodge, Iowa. Dr. Gray was formerly director of the company's biological laboratory.

Dr. Donald R. Hemerson, '52, who has been associated with **Dr. Robert R. Dappen, '50,** at Manning, Iowa, has purchased a practice at Sheldon, Iowa.

Dr. A. J. Nelson, '43, Nashua, Iowa, is recovering from an illness which required his hospitalization for two weeks.

Dr. Gerold C. Bek, '38, has moved from Kiester, Minn., to Winterset, Iowa.

Dr. Howard W. Dunne, '41, for the past two years deputy chief of the Veterinary Medical Division, Chemical Corps Biological Laboratories, Camp Detrick, Md., has been appointed professor of veterinary science at Pennsylvania State College.

Dr. M. D. Radloff, '33, formerly of West Bent, Iowa, is now located in San Diego, Calif.

Dr. Merle C. Hawn, '27, of Fargo, N. D., has been appointed a member of the North Dakota Veterinary Medical Examining Board for a three year term. He succeeds Dr. James V. Miles of Ellendale.

Dr. Hurst M. Cameron, '11, age 68, of Alden, Minn., died on March 8, 1953, at the Naeve Hospital, after an illness of two weeks. He had been in the service of the U. S. Bureau of Animal Industry in Minnesota and New Jersey until his retirement about four years ago.

Dr. Elmer H. Braunworth, '40, has moved from Wheaton, Minn., to Glenco, Minn.

Fire destroyed the kennels in connection with the hospital of **Dr. Clark J. Stilling, '43,** at 1742 East Holt Avenue, Pomona, Calif., on March 1, 1953. Loss was estimated at \$1,000.

Dr. Eugene B. Ingmand, '34, is building a new hospital for small animals with a poultry diagnostic laboratory in connection.

Dr. William B. Bonelli, Jr., '46, has moved from Phoenix, Ariz., to Saugus, Calif.

Dr. Donald V. Benson, '45, who has been teaching at the University of Missouri for the past five years has resigned and entered practice at Fayette, Mo.

Dr. Hilton L. McRoberts, '11, age 68, Columbus Junction, Iowa, died July 5, 1953. He had practiced in Columbus Junction more than 40 years.

Dr. Sam J. Holman, '51, Wessington Springs, S. D., is building a modern hospital on Highway 34. It will have accommodations for both large and small animals.
